Child serving agencies in Lawrence County are hosting a fair to highlight child abuse awareness and victim's rights. There will be exhibits, door prizes, educational break out sessions, and fun activities for kids. The event will be held on April 13th at the MARC in Mt. Vernon. Don't miss it!

## NEW EXAM GOWNS FOR CHILDREN'S CENTER KIDS!

Thank you to Helen, a friend of the Center, who handmade new flannel exam gowns for our kids at the Children's Center. Every child who visits the Center has the chance to see a nurse practitioner for an exam. The exams are child-friendly and non-invasive. Comfy gowns make children feel comfortable and safe!

## THANK YOU TO EVERYONE WHO MADE THE MOUSE RACES A GREAT SUCCESS!

It was standing room only at the 6th annual Mouse Races Fundraiser in Nevada. Thank you to everyone who attended, sponsored, or donated. We couldn't do our work without the generous support of our communities.

## BREAKING THE SILENCE OF SEXUAL ABUSE 5K AND 10K
