

## SUMMER SAFETY

The first day of summer is June 21st! Here are some safety tips to keep little ones happy and healthy!

Kids play outside in summertime. Always know if your children are visiting neighbors or playing unsupervised.

Always have shoes on outside- hot surfaces can burn small feet! Pool shoes protect against hot concrete.

Be wary of what you post on social media. Pictures of kids in the bath or in swimwear can be used by online predators.

## HAPPY MOTHER'S DAY!

Studies have shown that the best indicator that a child will heal from trauma is if they have a supportive mother. Thank you to all mothers, especially those caring for children who have experienced trauma!

## COUNSELING CORNER

### Child Sexual Abuse: Myth or Fact?

Kids are usually sexually abused by a stranger.

#### Myth!

Most sexual abusers are known to their victims. Sexual abuse victims are most commonly abused by someone they know and trust. Offenders are often family members, caretakers, or friends. Kids can also be sexually abused by bigger or more powerful children.

## THANK YOU, ROPER KIA!

Thank you, again, Roper Kia for all of your generous support and encouragement! In April, Roper Kia gave free oil changes in exchange for toys for our Children's Center kids. Roper also hosted and sponsored the Breaking the Silence of Sexual Abuse 5k. Thanks, Roper Kia! We couldn't do it without you!

Fazoli's raised \$700 and lots of community awareness for Child Abuse Prevention Month. Thanks, Fazoli's!

## WISH LIST

- Blankets
- Bottled Water
- Non-Perishable Snacks
