

## FAQ: WHAT SHOULD I DO IF A CHILD TELLS ME ABOUT ABUSE?

Children often choose a trusted adult to tell about abuse. If a child chooses you, here are some tips for fielding a disclosure:

**Remain calm.**

**Believe the child.**

**Allow the child to talk, but avoid asking a lot of questions.**

**Do not confront the offender.**

**Do not promise anything you cannot control.**

**Call the hotline immediately!**

**1-800-392-3738**

## THANK YOU FOR YOUR SUPPORT!

Looking for a way to get involved? Bring nonperishable snacks or water bottles to any Children's Center location. We want to make sure kids are as comfortable as possible when they visit, and sometimes a snack goes a long way!

**Great job to all of our high school football teams competing at State this month!**
