

2019 GRADUATES

Congratulations to the 82 kids and teens who graduated from the Children's Center's therapy program in 2019.

To celebrate that accomplishment, each child puts his or her hand print onto the canvas. These hand prints remind children that they are not alone and inspire current clients that success is just around the corner!

THE 2020 GALA WAS A HUGE SUCCESS

Thank you to every donor, sponsor, and volunteers who made this year's gala a huge success! We consider everyone involved to be a partner with us in protecting kids and caring for children who have been abused.
