

2022 Children's Center Gala

Saturday, February 5th, 2022
Downstream Casino Resort

This upcoming year commemorates the 25th anniversary since establishing its first location in 1997.

Our Annual Gala is Joplin's signature fundraising event to support direct services for child abuse victims & continuing the meaningful work of increasing child abuse awareness.

The top donor for 2022 receives yearlong recognition as the Joplin Center's Welcome Area Sponsor!

Your sponsorship is a tax-deductible gift. As a 501c3 charity, tax laws require sponsors notification of a Quid Pro Quo gift. Respectfully, we disclose a reasonable faith estimate of the value of goods/services provided in return for this contribution. The 2022 sponsorship packages includes event tickets (valued at \$1,000 per table) & VIP passes (valued at \$300 per couple), your year-end tax-deductible amount will be reduced by the associated value of those items. As always, our office will provide an acknowledgement letter for your records.

**Your support makes a difference
in the lives of our kids!**

Since the opening of the Children's Center in 1997, your generous donations have allowed the center to serve over **20,000 children**.

Who We Are

Children's Center is a child advocacy center that provides a safe, child-focused setting for the investigation and treatment of child abuse.

Forensic Interviews

When abuse is suspected, an investigation must occur. Children share their story with a trained professional who interviews them in a safe, calm, neutral setting.

Medical Evaluations

The evaluation is performed by medical professionals with child abuse expertise in a child-friendly room using state-of-the-art equipment.

Advocacy

Our Child Advocates are key in helping the child victim and the non-offending caregivers through the entire investigation process.

Mental Health Services

Children's Center offers trauma focused counseling with licensed clinical professionals that specialize in Trauma Focused-Cognitive Behavioral Therapy (TFCBT) and Integrative Treatment for Complex Trauma (ITCT), in a comfortable, child friendly, and confidential setting.

Multidisciplinary Team Approach

Children's Center serves in a coordinating capacity to ensure that law enforcement officers, juvenile officers, prosecutors, medical personnel, Children's Division workers, therapists and Children's Center staff are working to provide the most comprehensive and child-friendly services for child victims of abuse.

Community Outreach

Through community outreach and prevention education, Children's Center promotes families, communities, and cultures that protect children from abuse. All training programs are offered free of charge.

Thank you for supporting our center! Children's Center staff will be in touch with you soon to gather more information regarding your sponsorship commitment and event preferences.
